OUR FEBRUARY SPEAKER IS JACQUIE KENNEDY FROM The ANIMAL WELFARE LEAGUE QLD . ESTABLISHED IN 1959,(AWLQ) WORKS WITH OPTIMISM, INTEGRITY, INNOVATION AND INITIATIVE TO CREATE A BRIGHTER FUTURE FOR ALL COMPANION ANIMALS IN NEED.

AWLQ work with local councils, state government, rescue groups and the community to improve the outcomes for stray and surrendered pets, and are renowned for our unique and inventive programs, initiatives and rehoming strategies. Our organisation was the first in Queensland to open a Community Veterinary Clinic to the public, making essential vet care services accessible for the first time to those owners previously unable to afford treatment for their pets. The charter of AWLQ's Community Vet Clinics is that no suffering animal is ever to be turned away, despite the owner's financial circumstances' strives to give every animal in need a second chance and maintains an organisation wide policy of zero euthanasia of healthy animals. **HAPPY BIRTHDAY TO MEMBERS BORN IN FEBRUARY**

The two zodiac signs associated with February are Aquarius and Pisces. Those born from February 1st to February 18th are members of the Aquarius zodiac signs. Members of the Aquarius can be identified by their unique style and their flowing personalities. For people born February 19th to February 28th/29th, they are born under the influence of the Pisces sign. The Pisces is a dreamer, but luckily their determination can turn far-off dreams to tangible realities.

**FAMOUS PEOPLE BORN IN FEBRUARY**

You February babies might share a birthday with one of these well-known people: Cristiano (February 16) Joseph Gordon-Levitt (February 17), Rihanna (February 20) or Drew Barrymore (February 22).

**JOKE CORNER THE ONES YOU CAN TELL YOUR GRANDCHILDREN**

On New Year's Eve, Daniel was in no shape to drive, so he sensibly left his van in the car park and walked home. As he was wobbling along, he was stopped by a policeman. 'What are you doing out here at four o'clock in the morning?' asked the police officer. 'I'm on my way to a lecture,' answered Roger. 'And who on earth, in their right mind, is going to give a lecture at this time on New Year's Eve?' enquired the constable sarcastically. 'My wife,' slurred Daniel grimly.

The trouble with jogging is that the ice falls out of your glass.

When I thought about the evils of drinking in the New Year. I gave up thinking.
