## Happy Birthday to all members born in the Month of March

## JOKE CORNER THE ONES YOU CAN TELL YOUR GRANDCHILDREN

The Grim Reaper came for me last night, and I beat him off with a vacuum cleaner. Talk about Dyson with death.

A mate of mine recently admitted to being addicted to brake fluid. When I quizzed him on it he reckoned he could stop any time...

I went to the cemetery yesterday to lay some flowers on a grave. As I was standing there I noticed 4 grave diggers walking about with a coffin, 3 hours later and they're still walking about with it. I thought to myself, they've lost the plot!!

My daughter asked me for a pet spider for her birthday, so I went to our local pet shop and they were £70!!! Blow this, I thought, I can get one cheaper off the web.

I was at an ATM yesterday when a little old lady asked if I could check her balance, so I pushed her over.

I start a new job in Seoul next week. I thought it was a good Korea move.

I was driving this morning when I saw an AA van parked up. The driver was sobbing uncontrollably and looked very miserable. I thought to myself that guy's heading for a breakdown.

Statistically, 6 out of 7 dwarves are not Happy.

My neighbour knocked on my door at 2:30am this morning, can you believe that, 2:30am?! Luckily for him I was still up playing my Bagpipes.
