Venue & Times

The **Peel Region** branch of the National Seniors Australia meets on the second Monday in the even months (February, April, June, August, October and December). **VENUE: RSL Hall, 20/22 Rouse Road,**

Greenfields,

Start Time: 1:30 pm. Social outings are held on the odd months i.e., January etc. and the 4th Sunday of even months.

President's Prattle

Once more we have come to the end of the financial year and the AGM is upon us. As we go into another term, we look forward to what it brings. There is an exciting list of events in the pipeline at present e.g. August 22nd our annual Community Talk Day with excellent guest speakers lined up. It's a day where you can listen, relax, eat, drink, and enjoy good company.

I now thank the committee for all their hard work during the year and the members who support our outings and general meetings by turning up no matter what the weather. Without your attendance we would not exist.

A special thank you to Ross who diligently and enthusiastically produces a fantastic newsletter with quizzes and contents to get your brain working. At times there are changes to the social programme due to unforeseen circumstances, but we keep you informed of these at our general meetings. Another exciting event to look forward to is the upcoming Zone 114 Conference hosted by Rockingham and Districts Branch. This will be held at Port Kennedy RSL on Wed. 12th October 2022, with more details to be advised shortly.

We not only meet, eat, and have a good time, but we also discuss matters which are important to you and do our best to find a solution. TUSS (Taxi User Subsidy Scheme) issue is progressing slowly with the state government considering implementing the launch of a digital card in the near future and our 'Bins for Blokes' campaign through

the city council, has received a good response.

This is what is positive about our branch we get things done to the best of our ability and for the well-being of the whole community.

Thought for the day – BE KIND TO EACH OTHER.

Social Corner

Outings

The 25th of June 2022 saw our members gathering at Moka Café for breakfast. The choices were plentiful and the meal, on arrival was, of a good size and tasted great.

In July, it was off to the "Tree of Life" for lunch. As this was a large group and the café was small, we were given a choice of three mains, Chicken Hot Pot, Fish and Chips or Lasagne. I had the hot pot, and it was delicious.

Everyone said that the meal was very good and many, not only had coffee after, also had deserts (See Photos).

August will see us having our AGM and on the 22nd of August we are hosting a community talk day with some very good speakers. This is an all-day event with a meal around 12 noon.

In September the outing is a trip to Serpentine Falls. We are planning to carpool to save costs.

Weekend Social

There is no weekend function in August. The next function will be on Sunday 16th October 2022 and hopefully will lunch 2022 on the "Pirate Ship" sailing around the Estuary.

Editors Ramble

Is anyone starting to look toward Spring and Summer? We have had some very wet days and a lot of cold ones, with many more to come if the weather people at channel 7 is correct.

I am holding back on planning any long holidays, what with the disruptions to flights and COVID still a big thing throughout the world.

I will see what next year brings and hopefully be able to start planning for a holiday away again.

Ross Editor.

Upcoming Events

The main upcoming events are the Peel Region **B**ranch Community Talk on Monday the 22^{nd} of August and then the Zone 114 Annual Conference being held at the Port Kennedy RSL Hall on the 12^{th} of October.

Fire safety

I was at the Senior Center today and failed a Health and Safety course that was put on for us old folks

One of the questions was: "In the event of a fire, what steps would you take?"

"F*****n big ones" was apparently the wrong answer.

Ambush Watch

Down at the Senior Center the other day Joe was telling a tale about his experience in the jungle during his war. It seems that he was wearing a cheap watch one night while on an ambush and it made so much noise that his buddy insisted that he douse the watch with bug spray . . . to get rid of the ticks.

Medication

A distraught senior citizen phoned her doctor's office. "Is it true," she wanted to know, "that the medication you prescribed To me has to be taken for the rest of my life?"

"Yes, I'm afraid so," the doctor told her

There was a moment of silence before the senior lady replied, "I'm wondering, then, just how serious is my condition because this prescription is marked 'NO REFILLS'."

SOMETHING TO THINK ABOUT!

2022

- · A cashless society means no cash. Zero.
- If doesn't mean mostly cashless and you can still use a 'wee bit of cash here and there'.
- Cashless means fully digital, fully traceable, fully controlled.
- I think those who support a cashless society aren't fully aware of what they're asking for.

A CASHLESS SOCIETY MEANS:

- No more tuck-away cash for those preparing to leave domestic violence.
- No more purchases off marketplace unless you want to risk bank transfer fraud.
- No more garage sales.
- No more cash donations to hungry homeless you pass.
- No more cash slipped into the hands of a child from their grandparent.
- · No more money in birthday cards.
- . No more piggy banks or tooth fairy for your child.
- No more selling bits and pieces from your home that you no longer want/need for a bit of cash in return.
- · Less choices of where you purchase based on affordability.

WHAT A CASHLESS SOCIETY DOES GUARANTEE:

- · Banks have full control of every single cent you own.
- · Every transaction you make is recorded.
- · All your movements and actions are traceable.
