Who is responsible for the dissemination of information regarding services available and is it all available at the one point?

There are many services that provide information on health, aged care and community services. You may consider contacting the following organisations or asking others within your community about where they get their information from.

- **Seniors Enquiry Line** is a statewide information and referral service for Queensland seniors, families, friends, grandparents and carers. Anyone can call the Seniors Enquiry Line – you don't have to be a senior. One call can put you in touch with a person who can provide information and referrals around a broad range of topics. View seniorsenquiryline.com.au or call 1300 135 500.
- **My Aged Care** – This is the Australian Government's starting point on your aged care journey. View www.myagedcare.gov.au or call 1800 200 422.
- **Carer Gateway** - This is the Australian Government's starting point for assisting carers. View www.carergateway.gov.au or call 1800 422 737.
- **Queensland Government Support for Seniors** - To access support provided by the Queensland Government, view www.qld.gov.au/seniors or call 13 74 68.
- **Your local Neighbourhood or Community Centre** – You can search for your closest Neighbourhood or Community Centre or Community Group at www.qld.gov.au/community/your-home-community/groups-in-your-community/groups or by calling 13 74 68.
- **Your Local Council** – Your Local Council may have a senior's program, or their phone line may be able to provide you with information on who to contact. The library can also be a good source of information. You can find your Local Council's website by clicking here - www.lgaq.asn.au/find-council
