

## MORNINGTON PENINSULA BRANCH NEWSLETTER PRESIDENT AND SOCIAL SECRETARY REPORT

Hello everyone,

I have had a great reunion in Tasmania! We enjoyed our outing to French Island. There was talk of taking the barge from Corinella next time and take time to go glamping and touring around this very friendly island.

We enjoyed lunch in the sun and a stroll down the road spotting koalas.

Dinner at SUGO67 in Mornington Main Street was a merry affair on our dinner night in March. Huge variety of food selection, interesting conversations and lots of laughs!

I have several people planning to be at our dinner on 3rd April (see details below). Come join us!
