♦ TREASURER VACANCY

Brighton Branch National Seniors Australia is desperately looking for a Treasurer. If we can't find a treasurer to look after the Branches' finances then our Branch and social activities will be seriously compromised to the point of the Branch having to be closed. Bill Adams is happy to give training to anyone who will take on this position. If you can fill this position or wish to discuss the position for consideration please contact the President Maureen Cook, detail supplied at end of newsletter.

• Next Meeting - Tuesday 19th August

Talk - Don Loffler - Life in 1948 and the arrival of the Holden Car Don Loffler considers himself the "luckiest man alive". Now 76, he has retired from a distinguished career as a teacher of Latin and German at the prestigious St Peter's College in Adelaide and now writes books about historic Holdens. Loffler's obsession with Holden began, as usual, in childhood. "I was nine years old when the Holden came out in 1948. I have the most vivid memories of the drama of that car appearing. I had an instant love affair with the Holden. I was already interested in cars per se, but this affair never left me.

• Lunch on 19th August After the Meeting

After each Branch meeting there is a lunch for members who wish to attend. This month lunch is booked at the Seacliff Beach Hotel If you wish to attend, please put your name on the sheet on the back table at the meeting, so we can advise the hotel of the number of members attending.
