

MORNINGTON PENINSULA BRANCH NEWSLETTER PRESIDENT AND SOCIAL SECRETARY REPORT

Hello everyone,

My internet is not holding up so am writing outside Bunnings!

I am really looking forward to our next meetings as we have

some interesting and diverse speakers.

I am already working towards next year's calendar and have several people to contact re possible speakers for

2020.  If anyone has someone in mind whose hobby or expertise or life experiences would be engaging to listen to, please contact me about them.

Also I am wanting to know of suitable dine-out options for 2020.

Most of us enjoy trying out new places especially if the

venue is conducive to lots of conversation.

I suppose most of you have been making soup. It certainly

is a great winter warmer.

I always make huge

batches and freeze single serves but sadly have run out

so am off to make Mulligatawny this time.

Hopefully, all going well, I have Lynda Coaker from the Mornington Police Seniors Community Register to be our August speaker. This is a great service and as many of us are alone, a good back-up in times of need.

Hope you can all be at our Branch meeting on Monday 19th August.

Keep cosy.

Cheerio, Jill

CINEMA MOVIE GROUP

"YESTERDAY" was the movie we saw in July. It was quite different to the recent movie tribute films, quirky

and intriguing.

But we enjoyed the revival of the BEATLES songs of

the sixties.

I'll be in touch for our August movie when I know more about what movie selections are coming up.

Cheers, Leché
