Keep your eye out for kookaburras, goannas, currawongs and wallabies. Highvale is a small rural community at the base of Mt Nebo and Mt Glorius. The area has a population of about 2000 and is the headwaters of the South Pine River. Samford Village is a scenic country town located 22 kilometers northwest of Brisbane and is our lunchstop for today's tour. **Samford Museum:** Explore original local buildings, a blacksmith shop, and vintage farm machinery **Local Dining:** Enjoy gourmet cafes, specialty bakeries, and wood-fired pizza or American BBQ
