TOUR TO ROSEWOOD Tuesday 18th August

This tour has a couple of twists with the first being our morning tea stop at Brookfield. We will traverse the northern suburbs of Ipswich before reaching the road to Rosewood with a stop at Walloon on the way. Explore the little town and buy your lunch from the many food shops or hotels. After lunch you have a choice to continue the tour on the coach or by train at 50c. Those travelling by train will see sights not normally seen by road until alighting at Gailles station to reboard the coach for the remainder of the journey. Cost \$40 NSA members and \$50 for others. We need forty to make the tour viable so please come and enjoy an interesting day out with friends.

TOUR REPORT Forty-four members travelled to Twin Towns on a very showery day. Once again the "Back to the Tivoli" show had an excellent line-up of entertainers of singers, pianist, magician, comedian for a good day out.

MULTI-DAY TOUR TO STANTHORPE

7th—11th September. If you would like to come we have two double/twin share rooms available at \$875 pp and one single room at \$1155 pp. Please contact Noel West as bookings will close at this meeting. If you have booked for the tour please collect your details of payment sheet and a reminder of the itinerary **today**.

WELFARE After decades of dedicated committee involvement it is sad to report that Maureen Johnson may no longer be able to continue in that role. She is now home following another spell in hospital. Good news to hear Sandra Lilley has returned home and Michael Takacs' recent procedure was successful. Eddie Evans is now in care at Estia Health, 34 Park Street, Coorparoo. Resident enquiries 1300682833.

AUGUST ELECTIONS Once again it is almost that time of the year when you choose who will manage the Branch. Please consider putting your name forward as we need a couple more to ease the load on the current committee. You will need to attend a Wednesday afternoon committee meeting during the week before the monthly meeting at Aveo Carindale. Nomination forms will be available **today**.

CAN YOU HELP? The committee has decided to support a local charity that assists the homeless or those in desperate need on a continuing basis. If you can help please bring any non-perishable food items and place them in the designated receptacle.

PHONES Please put your phones on silent and keep table chatter to a whisper during formal parts of the meeting.
