**Topics from Connect and Money Matters –**

Commonwealth Seniors Health Card eligibility will be expanded regardless of who wins office.  
  
Medicines will also be cheaper, benefitting older and younger Australians who do not have ac  
  
Age Pension deeming rates will be frozen for two years benefitting part-pensioners and self-funded retirees.

Malware can plant ‘viruses’ in your phone giving scammers access. Mobile phones are generally more secure than personal computers but still vulnerable. Understand the signs of hacking and how to protect your phone.

Flu season – is your loved one’s aged care good enough? Residents in aged care and home care recipients can expect to see a spike of COVID-19 and influenza infections this winter. The aged care regulator calls on providers to prepare now and warns that ‘action’ will be taken against those found to be negligent. Vaccination is crucial if we’re to keep a lid on flu numbers this year.
