### CARINDALE BRANCH 25th ANNIVERSARY

The committee has commenced planning for this important event for July next year. Members are encouraged to submit suggestions in writing to any committee member by the November meeting.

**PHONES Please** put your phones on silent during the meeting.

**WELFARE** Thinking of Michael Takacs as he is not recovering as well as expected following his recent operations and trusting Shirley Neander has a speedy recovery following her recent operation.

**TOURS SURVEY** Thanks to all who submitted feedback last meeting. It will help to plan a varied tour program for next year with the aim of providing the cheapest possible cost to you.

**EMU HEAVEN TOUR REPORT** In perfect weather, forty-one members were greeted by 1500 emus as we arrived. An informative talk detailed the processing of the birds to produce oil for health and beauty products as well as pet foods. Cute two day old chicks were a hit as they were passed around. From there we proceed through scenic country to Fernvale for members to satisfy their hunger. On the return we made an interesting diversion through the large Redbank industrial complex.

**CHUCKLE CORNER** I was at lunch with an old friend and pointed to two old ladies across the room and said "that will be us in ten years Agnes". She replied "Ethel dear, that's a mirror". --- Getting older has some benefits...call it a "senior moment" and you can get away with pretty much anything.
