

Branch Meetings and all Activities have all been CANCELLED until further notice due to COVID-19.

President/social secretary report (Jills Jottings)

Hello Friends.

Here we go again! I am not too surprised at being in lock down once again when so many seem to think they will never be infected and social distancing doesn't apply to them unless the police are watching. My daughter is furious about use of the staff room where people huddle together. They wonder why she prefers to have lunch in her car.

Thank goodness for some Zoom classes, films(Hamilton is on the Disney app) and a bit more gardening to do. What grey and miserable days we have been having. At least I can sit by the fire and read instead of going for a stroll around the neighbourhood.

I will let you know when we will be able to organise a committee meeting and plan for a Branch meeting. The Branch AGM will be put back to the end of the year and so all committee positions will be retained until then. In the meantime do give some thought about a committee position you could fill and any outings and activities you would like us to do.

Hope you are all feeling well and this wacky world is not getting you down.

If life serves up lemons make lemonade or maybe lemon meringue pie.

**Cheerfully,
Jill**

I again hope you are all well and stay well and that we all survive Covid-19 and the lockdown.

Please let me know if you have **read this Newsletter** (maybe no one reads it). Last month only 2 people emailed me to say that they had read the Newsletter.

Also **please let me know** of any **improvements** I could make to this Newsletter.

Thanks from Doug the Newsletter writer
