NEWSLETTER - 21ST JULY, 2022

Good Morning Members

It is Saturday morning and I am sitting in the beautiful sun writing this small message. What a beautiful day. Although I have NOT had Covid, I am not infectious, it is more like a bad dose of the flu – even lost my voice. I think I am on the improve, but do not want to pass it to any of our NSA friends, so will probably not be at the meeting. Please take the Annual Meeting nominations seriously. If you are available for any position please consider asking someone about what the job entails. I hope you all enjoy Roy Gibson. I really enjoy his articles every week. Stay safe and healthy.

Jenny Tidey

***** ANNUAL GENERAL MEETING – 18TH AUGUST, 2022*****

:All of the positions for committee members become vacant. If you would like help run the Club, we would be grateful if you would nominate for a position, please think about it, as a Social Club, we cannot run properly without members volunteering for these positions. Some of our members have been doing these jobs for several years, and a couple would like to step down. There will be a lot of help taking over any of the positions, and we would appreciate any new ideas about running the club and attracting new members to the club. We would like to acknowledge and thank Joan Golightly for handling the Guest Speaker Co-ordinator roll for the last 12 years.

JULY BIRTHDAYS : Ron Ash, Carolyn Bohl, Jeanette Daff, Jo Dahl, Amy Duncan, Diedre Graham, Olive Hawkins, Gwenda Wood

#2 - “In Style” are the clothes that still fit.

#3 – You don’t need anger management. You need people to stop pissing you off.

#4 – Your people skills are just fine. It’s your tolerance for idiots that need work.

#5 – The biggest lie you tell yourself is “I don’t need to write that down. I’ll remember it.

#6 – “on time” is when you get there

#7 - Even duct tape can’t fix stupid, but it sure does muffle the sound

#8 – It would be wonderful if we could put ourselves in the dryer for ten minutes, then

come out wrinkle-free and three sizes smaller

#9 – Lately, you’ve noticed people your age are so much older than you

#10 – Growing old should have taken longer

#11 – Aging has slowed you down, but it hasn’t shut you up

#12 – You still haven’t learned to act your age and hope you never will

And one more:
