

July 2019

Presidents Report:

Welcome to the July issue of our great Newsletter. I must start off with sad news. Another of our older members has passed away. Daphne Miller has gone to be with her much loved husband Dick. As those who knew them they know how much they relied on each other. With Daphne's failing eyesight and inner problems she has not had an easy time of it over the last year or so. Our deepest sympathy goes out to her family of which Daphne was much cherished. R.I.P. Daphne Her funeral will be held at Tobin Bros. Cranbourne Rd, on Friday 21st at 2.30, then on to the Frankston R.S.L.

The next club lunch will be on the 25th of July at Food Star Lunch at 12.30. Anyone needing a lift please ask a member of Committee.

National Seniors is lobbying very hard at the moment to have local Gov. and Councils to put out more information regarding men's health. As we all know sadly men succumb to fatal illness earlier in life than women and the findings are that men do not go to their doctors until the illness is well advanced. Hope this will change in the very near future.

B.M.T was a bit disappointing regarding attendance and the amount raised. \$1,797.05 considering that the wonderful and generous Jan Henry donated \$700.00 of that. The General Meeting will be coming up in September and unless a bit of input from members it looks quite bleak for our club. A treasurer is desperately needed as well as others for general Committee. Bit of a dreary report this month but things can only get better one hopes.

I love the kind of hugs where you can actually feel the sadness leave your body

Cheers Margaret McGrath
No report this month, obviously everyone feeling great!!
Catch up on "scissor suggestion" last month, Mary informs us that on her holiday she many times wished for a pair of small scissors.
To open airline lunches, coffee packets, butter, cutlery, sugar packages., the list is endless it seems.
No scissors allowed on planes of course, in case we kill the pilot I imagine!!
