President/social secretary report (Jills Jottings)

Hello everyone,

The National Seniors Australia has been in constant contact by email and then by phone so will keep you in the loop via Doug if anything is pertinent to members.

They have wanted to know if we are all OK.

I may need to have an extension AGM date requested as even when we might open again I imagine facilities would need to be cleaned thoroughly and isolation organised so there could be some time needed for preparation of the Centre for use and then to advertise for AGM and reorganise speakers etc.

Meanwhile, Have a Happy Mother's Day 🍷 🌸

Some quotations (for Mother's Day):

Somewhere on this globe, every ten seconds, there is a woman giving birth to a child.

She must be found and stopped.

- Sam Levenson.

Mother - that was the bank where we deposited all our hurts and worries.

- T De Witt Talmage

Cheerio from Jill

I hope you are all well and stay well and see you when this is all over.
