Newsletter – May 19th

Good Morning Members,

At the time of writing this message it is Sunday Morning and WOW the sun is shining. Although we always need the rain, I think this past week we have had enough. Now to start the washing and hopefully get it all dry.

I am sure everyone has heard enough about the election and will be happy when it is over. Remember you can have a Postal Vote (probably too late to organise now) or do a pre-election voting to avoid the rush on Saturday.

Remember the trip to Surfers Paradise and the beautiful canals next week. We need a few extra passengers to meet the requirements set by Cross Country. So, if you fancy a lovely day out with lunch cruising the canals, please see John Canterbury, it would be disappointing if we have to cancel.

I hope you enjoy our guest speaker today, I am sure he will be very entertaining and informative.

Hope you all enjoy the Autumn weather and keep safe and well.

Jenny Tidey

Holy Cow:

A pair of cows were talking in the field. One says, "Have you heard about the mad cow disease that's going around?"

"Yeah," the other cow says. "Makes me glad I'm a penguin".

A taxing situation

According to unofficial sources, a new simplified income-tax form contains only four lines:

1. What was your income for the year?
 2. What were your expenses?
 3. How much have you left?
 4. Send it in
