Newsletter – 19th AUGUST, 2021

Good morning Members. What a month we have had. Lock down! Testing! Having our 2nd jab! Hoping everyone is coping with all the changes in our day to day life! Let us hope we will be able to meet this week. I was just doing my report for the Annual Meeting and saw that our club have met every month since last annual meeting. That is so good and lucky. However, our Committee have missed 4 meetings through lock downs, but have managed to organise all our outings, etc. Thanks to all committee members for their understanding and advice. Our Annual Meeting will be followed by our normal Social meeting and morning tea.

This month we have a guest speaker from whom I hope you will learn some interesting information. Please remember mobiles off or on mute. Enjoy your morning. Stay well and keep safe and if you haven't had your CoVid injections, please consider doing so as soon as possible. Jenny.

Margaret Brandt had a fall in her garden at home and is in hospital for a few weeks. She is doing well. Barbara Coleman will be standing in for her.

******Technology Disaster.******

I was setting the voice recognition of my mobile. A dog barked and ran away.
I am still looking for the dog to unlock my mobile.

The Older I get the tighter companies are putting lids on jars

Do you keep your money in the bank or at home? 'In my memories'

I was going to post about my **afternoon run**, but it was autocorrected to **Afternoon rum..**
SO change of plans.

Old age comes at a bad time! When you finally know everything, you start to forget
everything you know.

A wise man once told his wife nothing because he was a wise man

Does anyone else put things in a safe place and then forget where that safe place is ?????
