

Message from the President

We are up and running

It was good to see the turn up at our last General Meeting showing that we are getting more confident in mixing socially again. I've been told that the new venue is a little more relaxed and conducive to conversation. Whilst we don't have the elaborate surroundings of the Lion, the chairs were comfortable and the air conditioning efficient. A couple of members voiced their preference for the Lion due to the ability to have a meal after the meeting or try your luck on the pokies. I will take a vote at our next meeting as to whether we continue on at the National Serviceman's Association Hall or try for the old venue.

You may remember an email went out from NSA through me about Seniors Advantage, an organization promoting itself to seniors offering discounts on membership and other benefits, possibly in competition to National Seniors. Choice has investigated this organisation and found them to be registered in Lithuania and little could be found out about their CEO, Paul Smith. I would concur that we stay away from joining them as their website could disappear tomorrow and you have lost your money.

There is an opportunity for a member to make a real impact on our senior community. Be Connected (you may remember we ran a workshop at The Terraces thanks to Mary Cottam) is offering a free on-line workshop for Digital Mentors who can then assist those seniors who may have difficulties in mastering the complexities of the Internet. If you have any interest please email me and I can forward the details to you.

By the time this newsletter gets to you, we would have decided on who will be running the State. NSA has lobbied both parties strongly to deliver senior benefits in the areas of transport (more travel concessions), housing (incentives to developers to design better housing for senior needs) and better discounts for rates and water amongst other important issues to our age group. Both major parties were open to these discussions and it will be interesting to see which one follows through.

I'll leave you with that thought and the hope to see you at our next meeting.

Quiz time

These are not trick questions. They are straight questions with straight answers...

1. Name the one sport in which neither the spectators nor the participants know the score or the leader until the contest ends.
2. What famous North American landmark is constantly moving backward?
3. Of all vegetables, only two can live to produce on their own for several growing seasons. All other vegetables must be replanted every

year. What are the only two perennial vegetables?

4. What fruit has its seeds on the outside?
5. In many liquor stores, you can buy pear brandy, with a real pear inside the bottle. The pear is whole and ripe, and the bottle is genuine; it hasn't been cut in any way. How did the pear get inside the bottle?
6. Only three words in standard English begin with the letters 'dw' and they are all common words. Name two of them.
7. There are 14 punctuation marks in English grammar. Can you name at least half of them?
8. Name the only vegetable or fruit that is never sold frozen, canned, processed, cooked, or in any other form except fresh.
9. Name 6 or more things that you can wear on your feet beginning with the letter 'S.'

See back page for answers.

What a pleasure it is to include a member's wonderful craft item in this Newsletter. A fitting time of the year with Remembrance Day on 11 November. Thank you to Cheryl Hilder for making this amazing quilt In Tribute to All Pilots commemorating the Battle of Britain, July 10, 1940 to October 31, 1940 (a turning point in WWII). The quilt will have pride of place in the RSL Forest Lake and Districts Branch meeting hut at Wacol once renovations are completed.

SHARE THE DIGNITY DONATIONS

Each year this charity distributes thousands of bags filled with essential items and special gifts to women who are homeless or victims of domestic violence. This branch has been collecting suitable items for the past five years and your last chance to donate to the current appeal is at our November meeting. Barry Weston collects these items and deposits them with bunnings who collect them on a national basis for delivery to the charity.
