Presidents Report

Welcome all to the final Newsletter for this committee year. The AGM will be held on the 25th the day of receiving this Newsletter. There is still time to put your name down for Committee if you feel you can contribute to your club. I will be thanking Committee on the day but I would like to put it to paper as to the wonderful work that has been done this year by your Committee under difficult circumstances. There have been illness, unspoken of, grief, uncertainty and an overwhelming sense of "why bother" when members have not rallied. Through all this your Committee has stayed true and put in as much as they possibly could and I would like it to be noted they have my respect and gratitude as they should have yours. There is an amendment on last month's item re starting time of meeting. A vote was taken by attending members to keep the starting time of the General meeting at 10.30. Hopefully this will help with parking also. By now you will have received your Seniors magazine containing you free travel vouchers. There is an important memo attached informing Seniors that if you want your Victorian Seniors Card travel vouchers you need to register on line or fill in the registration form they have supplied. Hope you have not thrown yours out. You may apply for another copy. Unfortunately the trip to the Casino in October is booked out we will need to wait for next year for another of these great days out. The Ballam Park tour was excellent, as was the scones. There is so much history here in Frankston it is well worth a visit, a beautifully maintained mansion from a very generous benefactor. If you are not doing anything on a Sunday afternoon a visit to this property is a must. Our next Club Lunch will be at Baxter Tavern with "Tom Jones" doing his bit for ones hips. I do ask if you put your name down please attend or let me know at least two days prior. Fratelli's as usual was a great afternoon out but too many with their names down not attending. Those who came had a very friendly and scrumptious lunch. A big happy Birthday to those who are celebrating and we have a special one this month. Roy is turning 90 and is well worth a mention for all the years he has steered the ship and put in so much time and effort to this club. Happiest of 90th Birthday Roy I would like to finish up with a heartfelt goodbye to some of our members who have had to go into care or make other living arrangements. Don't forget Christmas is just around the corner.

Hope to see you at our A G M .

Remember Amateurs built the Ark, Professionals built the Titanic. Most things are possible if you have a go.

Marion

Love is such a precious thing, its fragile and its rare.

It damages so easily so handle it with care.

Its free to those who seek it, there`s enough for all to share

The more that love is given out, the more there is to spare.

OCTOBER

There will be no speaker for October as we will have the St Francis Xavier Catholic Primary School Choir performing for us. The choir has children from Years 3 to 6 (all girls - they can't manage to get any boys interested!) who all sing for the pure joy of it. They will be singing some of our old favourite songs which they hope you will enjoy. They have sung for us for the last two years and they know that you like seeing the choir as much as they like singing for you.

NOVEMBER
