

GENERAL MEETING

Tuesday, April 23, 2019

I hope all our members had a Happy Easter, enjoyed the chocolates and maybe caught up with family and friends. We have an interesting speaker to-day, Glenda Thomas, who will be talking about Leukaemia Foundation Support. I am looking forward to her presentation.

Some good news for this month. We have a new web site linked to National Seniors Australia web site. To access the site enter nationalseniors.com.au click on "about us", drop down to "Branches", scroll down to "New South Wales", click on "Central Coast -Wyong". Our web page will come up, so you can then scroll down and read all about our info and see some photos of recent functions. Hopefully, by June our old web site will cease to exist. Please get familiar with this new site which will keep you up to date with functions, speakers and our newsletter SI.

We are still waiting for a volunteer for the role of Event Co-ordinator. The lack of a volunteer is putting a significant workload on Committee Members who are endeavouring to maintain our social program. Please help the Branch to sustain its future.

For all those members who are not enjoying the best of health I send my best wishes for a speedy recovery.

Kevin Leslie
President
