GENERAL MEETING

Presidents Report

Happy New Year to all our members. I hope you have experienced an enjoyable time with your families over the festive season. It is with great sadness that our Country has experienced a catastrophic start to the year with an unprecedented number of bushfires impacting on family lives and futures. I was encouraged to learn that one of our members, John Buchtman, has been involved with the volunteer fire force over the past two months. Congratulations John for your contribution.

National Seniors Head Office has advised that they have made submissions to the Federal Government for Budget considerations covering Fix pension poverty, overhauling Aged Care, a fairer retirement income system, reducing out-of pocket health costs and a legacy for older Australians. If anybody is interested in any of these submissions you can obtain info. from our Secretary. As for our Social Program over the next six months, Helen Leslie has been busy and will give you more details at our meeting to-day. I ask you all to support Helen by attending many of the functions.

Membership remains a top priority for all of us. I urge you to seek out and encourage your friends to come along and enjoy our friendship.

Finally, I am most appreciative that Sue Lade has volunteered to produce this monthly newsletter in the absence of Robyn Watson. Thank you, Sue.

Kevin Leslie
President
