## **GENERAL MEETING**

**Tuesday, May 28, 2019**

As we are now heading into winter, I hope everybody has managed to get their flu injections as it has been reported that the flu is the worst it has been for some time. I am aware we have a number of our members who are not enjoying the best of health and our best wishes are with you.

On a brighter note, twenty of our members enjoyed a most pleasant day cruising Lake Macquarie in May. The organization and service provided by the crew was excellent. Our thanks to Robyn Watson for her efforts in making this happen. Over the next two months we have scheduled trips to the Hunter and a Christmas in July at Ettalong Diggers. Please put your names on the booking sheets to ensure the functions are a success organized by Committee members. The end of the current year is fast approaching (August 2019) and we are desperate to have the position of Event Co-ordinator filled to ensure the future of our social calendar and Group operations.

Our old website will be closing down on the 17 June 2019. Our thanks to Rob Kellock and Dennis Roe for the excellent work they have carried out since its inception. We are now set up on the National Seniors web site, the details were provided in the April Insight.

I am looking forward to hearing from Kim Anderson to-day talking about the Wyong Neighbourhood Centre and its work regarding "Be Connected", a seniors project sponsored by the Federal Government and promoted by National Seniors Headquarters.

Kevin Leslie

President
