

**SENIORS INSIGHT**

**GENERAL MEETING**

**Tuesday, November 26, 2019**

Another year is almost over with our last Meeting to-day for 2019. It has been a rather difficult year for the Branch with our numbers declining and fewer new members coming on board. I am most appreciative of the new faces who have volunteered to keep the Branch alive. Your Committee has some very interesting speakers for next year which Maureen Buchtman will enlighten us to-day. The social program is being developed by Helen Leslie and she is looking forward to having some new and exciting events for next year.

Our end of the year function will be a Xmas BBQ at McKenzie Park, Budgewoi on the 9 December 2019. This function is at no cost to our members, but if any visitors wish to attend there is a charge of \$10 pp. Helen Leslie will be seeking volunteers to-day to assist with Catering and Cooking duties. Please put your names on the event sheet and come along and enjoy the company of our fellow members.

For those people who are not enjoying the best of health may I extend my sincere wishes for a speedy improvement in your medical conditions for 2020.

As we approach the festive season I wish you and your families a very happy Christmas and lots of fun in approaching the New Year.

Best wishes for 2020.

Kevin Leslie, President
