

GENERAL MEETING

Tuesday, October 22, 2019

I am pleased to report that your new Committee has been settling in well and looking forward to a good year full of fun and friendship. We should be grateful for the support shown by volunteers to sustain our future.

Membership remains a key issue for all of us and we will continue to concentrate our efforts with advertising in the media and on the radio. We have an excellent social event this month with an Oktoberfest at the Wyong Golf Club and 17 of our members registered to attend. Guest Speakers are booked for the remainder of the calendar year and should prove both interesting and entertaining.

It is with great sadness that we farewelled Neville Perry who reached a significant milestone of 93 years. To Sheila and family our sincere condolences are with you all. Our Vice President, Maureen Buchtman has experienced quite a setback with her health after a recent fall. We wish her a speedy recovery. Helen Leslie had an unexpected visit to hospital over the past two Tuesdays and is recovering well from her medical procedures.

By the way, there are only 62 shopping days until Christmas.

Kevin Leslie
President
