

**GENERAL MEETING**

**Tuesday, September 24, 2019**

Congratulations to all our volunteers who have elected to serve on our Committee for 2019/20. I look forward to a promising year with a number of new faces, and in particular a new Executive Committee. Thank you for coming forward and ensuring the continued success of the Wyong National Seniors Branch. We need to recognise that this Branch needs an injection of new members. I ask all our members to make a concentrated effort to introducing new members, and to this end our Committee has made a decision to extend to prospective members a \$5 charge only when attending the first two general meetings, and after this period we expect them to take up membership of National Seniors. We should not only encourage new faces at our general meetings but take advantage of the first Monday lunches to bring along friends who can speak with our members and find out what our Branch is all about.

The Committee is looking to make our year full of fun and friendship. Helen Leslie has taken on the role of Event Co-ordinator, as well as Welfare Officer. Please give her all your support by attending functions and suggesting new ideas for future events. She will have more to say to-day about her plans.

I am well aware that we have some of our members who are not enjoying the best of health. Our best wishes to you all; we sincerely hope it will not be too long before you are able to join with us again.

As a reminder next month Daylight Saving will be with us on Sunday, 6 October. Don't forget to turn your clocks forward on retiring to ensure that you do not miss any Sunday appointments.

Kevin Leslie  
President
