#### The Newsletter of the Monash Branch NSA - Your guide to our information and events February 2020

Meetings: 1.15 for 1.30pm start on 1<sup>st</sup> Wednesday of the Month, Community Centre, Miller Cres, Mt Waverley.

#### **From the President**

Hello everyone,

Welcome to a new year – can you believe it is 20 years since we all worried about the new Millennium? Would the computers perform as expected - what was going to fall apart or not function correctly? I am pleased to say that with some effort we made it and life goes on.

More than 20 members enjoyed our visit to the Gulf Station at Yarra Glen. Two National Trust volunteers escorted us around the various buildings – we saw the long thin bath used by the family, the slaughter house, the school room, the kitchen with its wonderful stove and utensils. Gosh were things different in the 19th Century – citizens certainly put up with a lot to carve out a whole new lifestyle in the country. It was a great day. We had lunch in the old barn and thoroughly enjoyed all aspects of the outing. It was also good to see a number of members car-sharing for the day.

Our co-ordinators have been busy putting together the various programmes for the year and I hope that you will all enthusiastically support the many events being organised. **PLEASE** let us know if there are any ideas you have for making the National Seniors Monash Branch stronger. Remember it is your Branch and we look forward to your participation.

Best wishes for a wonderful and safe 2020

Regards.....Elaine

### **Our Guest Speaker for February**

Our guest speaker at the meeting on 5 February will be Don Horsburgh. Don will talk about the history and activities of the **Puffing Billy Railway** and its volunteers.

It is now 60 years since it was taken over from the Victorian railways and it has carried 11 million passengers since 28<sup>th</sup> July 1962.

This talk will be of great interest and amusement to our attendees, with plenty of opportunities for questions and comments.

#### **Investment Group**

We meet at 10 am on the 4<sup>th</sup> Wednesday of the Month. 2019 was a good year for the markets in general, (not for the Banks), and we have had some excellent discussions and contributions from members of our Group.

The next meeting will be on Wednesday 26 February 2020, so if you would like to participate, please ring Danny on 9807 1524 before the date of the meeting. And don't forget to bring your Wadham House parking permit!

### **Mid-Week Lunch Group**

Members have recently not shown much interest in our mid-week lunches so we will not be scheduling any for the foreseeable future. If you are interested, or have any ideas for venues for 2020, then please Contact Anne Walker: 9560 7424.

## Meet and Greet – Make Our Newcomers Welcome

It is very pleasing to see new members and visitors attending our meetings, but have you met and spoken to any of these people? The round tables were introduced so that we had an opportunity to speak not just to the person sitting next to you, but to others at the table.

Could I please ask that, at the next meeting you sit next to someone you don't know and that you chat to someone over coffee that you have not spoken to before?

We do want to be known as a friendly group, with everyone knowing (almost) everyone

# **Our January Outing to Gulf Station**

\*

On Tuesday 21 January a group of more than 20 Monash NSA members enjoyed a visit to Gulf Station at Yarra Glen. Established by Scottish settlers Agnes and William Bell in the 1850s, Gulf Station was farmed for nearly 100 years by the Bell family.

From the 1850s to the 1950s, Gulf Station supplied produce to gold miners of the district and prospered. The National Trust acquired stewardship of the property in 1976.

The existing house began as a small rectangular cottage in about 1854, and as the Bell family grew, the building eventually developed into a large family home.

Many of the farm buildings, like the earliest stage of the house, are of vertical timber slab construction. The slaughterhouse and a portion of a stable building and a kennels / pig sty building are of horizontal slab construction while the remaining buildings and additions are constructed in relatively modern stud construction. Some ten buildings are built in timber slab construction with peeled logs of indigenous gum and stringybark, cut and adzed locally, used as structural members. Roofs of split shingles are now covered with corrugated iron, but the shingles can be viewed from inside.

Two National Trust volunteers escorted us around the various buildings and generously explained everything in fascinating detail. Indeed the volunteers were so generous with their time that the tour took an hour longer than scheduled! We had a BYO picnic lunch in the old barn – special mention to the Yarra Glen Bakery. It was a great day and we thoroughly enjoyed all aspects of the outing. Our especial thanks go to the two ladies who showed us around.

We did wonder: Many of us remember from our own experience that when all such kitchen and dairy devices and appliances were in use, they were kept scrupulously clean – and in some cases sand-scoured and shining – but now these relics are almost universally rusted.

How can we present these artifacts, especially to the younger generations who have had no experience of them, to show what they were originally like?

# "Coffee and Chat"

For February we will be holding our Coffee and Chat morning back at the Monash Gallery of Art Café (cnr. Jells and Waverley Roads) on Thursday 20th February at 10.30 am.

#### There will be a new exhibition at the Gallery -"PORTRAIT OF MONASH - THE TIES THAT BIND"

The exhibition celebrates the 30th anniversary of MGA and explores key issues facing the community in the City of Monash. People will share their stories which build an awareness of the individual's experience and challenges they face.

Please place your name and contact details on the sheet at the back of the room, or you can just arrive at the Gallery Cafe on 20th February
