

MORNINGTON PENINSULA BRANCH NEWSLETTER PRESIDENT AND SOCIAL SECRETARY REPORT

Hello everyone,

I do believe Spring is on the way as we have had some little rays of sunshine for a few days. I thank Linda Coaker, our speaker from the Mornington Police Seniors Community Register at the last branch meeting. Not only did we learn about the work they carry out visiting or phoning seniors who would otherwise be alone and lonely but they give cards to carry in wallets so that in case of illness or accident, the police have records provided by each of us so that next of kin, medications etc can be provided to police. This service is available at Mornington and Hastings and other regions of Victoria. We also learnt that Linda's group collects postage stamps for Legacy. I also read today that U3A Mornington is collecting plastic tags from bread bags as well as soft plastic bottle tops.

Our last dine-out was at WAVES and we think it would be a great place to go on a warm night in summer with a walk on the beach. While we didn't solve the problems of the universe, as usual there was plenty of conversation.

I hope you have all noted that the next meeting will be in the evening and is our AGM with pizzas. It is not too late to nominate for the committee which meets prior to our branch meetings. Contact Irene if you need more information.

Please do not contact me between August 30th to 5th October as I will be in South Africa.

18th October is the date for lunch, 12 noon at Heronswood in Dromana. Hope to see you all there. I will be looking for seeds and seedlings for the garden.

Cheerio, Jill

CINEMA MOVIE GROUP

Last month's movie was *The White Crow*, the story of Rudolf Nureyev's defection to the West.

It was an excellent movie but we all agreed we would have liked it to have continued a little further into the rest of his extraordinary life.

I'm looking forward to our September meet as I am sure there will be some spectacular films from which we can choose. I'll be in touch when we know more.

Cheers, Leché
